The Scottsdale Human Relations Commission members have been invited to attend the Valley-Wide Human Relations Commission Conversational Exchange and a quorum may be present. These meetings are designed to allow commissioners the opportunity to identify, and develop strategies to address, regional issues of common concern. Commissioners will report on upcoming events/programs and/or issues germane to their municipalities. Reports will also be given that describe the progress made toward developing strategies to address common issues of concern. Finally, commissioners will use the remaining time as a work session to further plan the steps for implementation of identified strategies.
